

Prof. Meng attended 2016 Annual Workshop of United College on 'Smart City' as a guest speaker.

The 2016 Annual Workshop of United College was held on 7 April 2016 at LT1, Yasumoto International Academic Park. The theme of the workshop this year was “Smart Cities”, with the participation of over five hundred students and staff members. Professor Kwan Hoi-shan, Convener of the workshop, Associate College Head and Dean of General Education of the College, was the moderator for the workshop. The College was grateful to have three guest speakers, including Professor Leung Yee, Research Professor, Department of Geography and Resource Management; Mr Lam Man, Director, Carrot Home Solutions Limited and Professor Helen M L Meng, Chairperson, Department of System Engineering and Engineering Management. The three speakers gave short speeches on the theme of “Smart Cities” from the perspectives of environmental planning, household usage and big data analysis respectively. After delivering an individual speech, all guest speakers joined the open forum to exchange ideas with the audience. Students were greatly inspired and benefited a lot in the Question and Answer session. Souvenirs were presented to each guest by Professor Jimmy C M Yu, College Head, to express our gratitude.
